Complete Every Step

Step 1

Go to [MLGS](#) to register an account.

Invest in your online business here and gain access to daily targeted and high converting leads.

Send emails daily or every two to three days... With this secret sauce, you do not need to be in a hurry to build yourself a list using an autoresponder service.

This is your **funded proposal**. Everyone who views this PDF will invest in getting these responsive daily leads here monthly. So, even when everyone is still learning the ropes, everyone can still get paid for growing their marketing reach!

You not only get daily leads that you can email to (and you can certainly use web storage provided by Google Drive, DropBox, OneDrive or the like to share and pass on this PDF), you also get to earn commissions here as you invest in gaining access to these daily leads month in and month out.

The information of every lead that is available to you:

Date | First Name | Last Name | Email Address | IP Address | City | State | Postal Code | Country | Lead Partner

You can start making commissions while getting access to fresh daily leads. Your leads who see how this can also easily work for them will do the same... The good success cycle can go on...

So, as you accept this funded proposal and start to invest in your financial future, you start making an income from this while you are still learning how to properly make money online. **Note down your MLGS userid.**

Step 2

Register for a Wealthy Affiliate account [HERE](#)

Upgrade your Wealthy Affiliate (WA) account to the Premium level to avail yourself to more advanced tools and remain at this level for the long term.

If you've done any research online, you will realise that what I recommend you to invest your time and money in over here has truly raised up many successful affiliate marketers who have actually acquired the know-how and skills to make real deal income online. It will only be wise that you follow through with the whole systematic learning and practice processes here...

Many super affiliates are born here. The Science behind **solid** and **easy** Affiliate Marketing is systematically taught here. While you go through the training here, you can also be earning a good affiliate commission when others join you through your re-branded version of this PDF! **Note down your WA userid.**

Step 3

Being able to earn while you are still learning would be an added advantage for you. Having this Re-Brandable PDF do most of the work for you virally magnifies this advantage more than ten times!

Instead of having a fixed website where you drive people to visit, you have a mobile and viral tool that works under the radar and brings to real people (not bot traffic) your referral sites by the power of the word of mouth! This means that you can simply focus on passing on this simple “Pass It On – Money Maker” PDF online and/or offline! All the pre-selling and selling are already done for you here, and the plan is simple and easy to follow and duplicate.

This is an important step.

The idea is simple. You want to pass this PDF on, but you want to pass it on with the referral links that belong to you so that when whoever receives this PDF that originates from you invests in making money online as recommended here, you get all the credit for it and get paid accordingly!

Here is a sample text to grab attention to gain permission to give this away (do add in your own flavour to make it unique, but keep things short and simple):
